Dear Parents,

Congratulations to everyone involved with the overwhelming success of the School Association Quiz Night last Friday. It was terrific to see so many staff, parents, friends and community members enjoying a fun night together as well as raise some healthy funds for the school. The amount raised was approximately $17,200 with this money being directed to playground development on the bottom oval, which will be constructed no later than Term 1 next year.

The Maddy Riewoldt Vision fundraising day will be held tomorrow with cupcakes for sale for $2, purple hair spraying for $2 and free dress day with a coin or note donation. I would like to thank staff and parents for making the purple cupcakes which can be left at the school canteen tomorrow morning and will sell over the counter at recess and lunch times. I would like to thank Kristie Triffett for assisting with the purple hair spraying by bringing eight TAFE students from her classes along as well as donating the hair products required. All students having hair sprayed are to go to the hall from 8.15am tomorrow morning for their treatment. Thank you in advance for the support for this great cause which will provide funds for research into bone marrow disease.

Our assembly is scheduled for the usual time of 2.10 p.m. this Friday however if the St Kilda Football Club free up their players to be present on Friday at our assembly then the time may change to fit in with their schedule. If this happens a notice will be sent out later this week and a message will be put on our Facebook page. All interested families are invited to Blundstone Arena to watch St Kilda train from 3.00 - 4.00pm.

Congratulations to the following students for being selected into the Netball and Football regional teams to participate in the Winter Sports Carnival on Tuesday 25th August:

- **Netball** – Cara Berry and Edith Ashmore
- **Football** – Caleb Hunter, Dylan Crossin, Michael Eberhardt and Craig Blaschke

A notice about our after school Activities Program will be distributed today informing families about the possibilities of student and parent involvement in a 4 week after school activities program that staff will conduct from Weeks 6 to 9 this term. If you have any queries about this program please contact me at school or via email at steven.hay@education.tas.gove.au

Parenting is an extremely enjoyable and rewarding part of life. Thank to all parents for the positive input you provide into your children’s lives. The article from the Sunday Age on the weekend provides an interesting read and message.
Science Club
This week in Junior Science Club we have been looking at how things change. We extracted the colour from some red cabbage to use as an indicator, then added it to different household substances to check if they were an acid or a base by observing the colour changes that happened. We were quite amazed at how quickly the change happened and how the different colours showed us if the substance was acidic or not. Some people were already familiar with the idea of using an indicator because they had tested fish tanks and pools at home. Substances we tested included lemon juice, lemonade, washing liquid, citric acid and Bi carb soda.

Wendy Fletcher
9.00am  Play Time (indoor and outdoor)
10.15am  Fruit and Story
10.30am Music with Mrs Louise Goich
11.00am Gross Motor Play (in the hall)
11.30am Pack up and Home Time

*please feel free to join us for all or any part of our sessions

Snow dough fun! Creating, making and role play fun!
This week is our MESSY PLAY DAY!! Come prepared to play with slime, gloop, spaghetti and more! Our messiest day of the year!
See you all this Thursday,

UNIFORM SPECIAL
ALL SPRAY JACKETS
 SIZES 4-14
NOW ONLY $20

Well done Michelle
Michelle Chopping (mother of Ayrton 2P and Portia 1P) recently competed in the Australian 100km Road Running Championships again this year. She was placed 4th in a time of 10 hours and 8 minutes which is 50 minutes faster than her time in 2014. She is now ranked in the Top 30 women of all time with this performance. Congratulations on this fine achievement Michelle!
