Dear Parents,

This week teachers will be forming 2016 class lists and using a range of information to make these class placements – academic progress, friendship groupings, undesirable combinations, maturity levels, gender balance, leadership qualities, family connections and progress made with this year’s teacher. There will be 19 classes next year. Prep to Grade 6 classes will be announced on Monday 14th December.

Our Bottom Oval playground redevelopment commences on Monday 23rd November. Access for trucks will be via the laneway from Cambridge Road so I would ask all users of this area to be patient and understanding with this slight inconvenience and to be careful when using the car park. The workers will ensure they adopt safe workplace measures and be mindful of our parents and students during the busy times of the day in this area.

There are a number of excursions and events coming up at this busy time of the year where classes will be heading out into the general community. It is highly important for all students to be correctly attired in school uniform on these occasions.

Well done to the children who participated in the Eastlands Christmas Parade on the weekend. Thank you to Mrs Wickham and Mrs Hamilton for organising this.

Steven Hay
Principal

BPS POLO TOP AND CAP FOR PARENTS & TEACHERS!

If you help out at any of our events – car parking, barbeques, community events, etc. and would like to represent the school by wearing a badged polo top, and a cap, you can! These tops and caps were worn by many volunteers on the Quiz Night. We had lots of comments about how professional our team looked, and it is a great way to represent the school when working on fundraising events. These tops can be ordered, and a sample top is on display in the entry to the office. The caps could also be worn to school athletics carnivals and cross country events. These could be great items of clothing for teachers in the warmer months too! Order form is included with this week’s newsletter. It is suggested to purchase a size larger than your normal size as the tops are a very small make. Please speak to Ange Ogg if you are interested and would like more info or to discuss.

2015 School Triathlon “Clean-up Crew”

Calling for students to volunteer to join the clean-up crew to assist with the pack up and rubbish collection after the Schools’ Triathlon on Friday this week.

Tim Smith (event coordinator) gave recognition to our services last year by informing all schools of our community service and providing movie tickets to our students. Your help was greatly appreciated.

If your child is available from 2.45-3.30pm on Friday please send an email to natalie.wickham@education.tas.gov.au by Thursday.

I will allocate identification vests and gloves for students. There will be adult supervision provided for your child while walking to the site, during the clean-up and until you arrive to collect them for the Triathlon site.
