Dear Parents,

A big thank you to the many volunteers who helped out with the catering at the Clarence City Council Carols on Sunday evening. Our role was to feed all the Council volunteers and performers and also to cater for the general public. Our school carried out a very professional and efficient service as well as raising extra funds for our school. A big thank you to Ange Ogg and her big team of helpers for this tremendous outcome which showcases our school to the local community in a very positive light once again.

Our next requirement for volunteers will be for the upcoming Big Bash cricket matches involving the Hobart Hurricanes where our school opens up the grounds for car parking with our takings each game being in excess of $1000. If you are able to help for a few hours on the following dates then please contact me at steven.hay@education.tas.gov.au – Dec 22nd, Jan 1st, Jan 4th and Jan 10th.

This week our Performance Assemblies with be held with the ECE event being held on Thursday and the Primary one being on Friday. Both assemblies start at 9.15 a.m. All class teachers would have advised students about the items and costumes required for class acts. If you are unsure about this matter please contact your child’s class teacher.

Summary Reports will be distributed tomorrow for most classes (Kinder Green Friday). After reading all reports it’s wonderful to note the terrific school progress by our students with their academic, social and personal development. Formal parent/teacher meetings have not been set however all parents should feel free to see their child’s class teacher if they would like to discuss the report with them.

School captain speeches and voting will be held tomorrow. All current Grade 5 students considering this role should have a prepared speech ready for presentation. The results of the student vote are considered by staff, when the final selections are made for the student leadership roles for 2016. An announcement of the leaders for next year will be made at the Leavers’ Assembly on Thursday 17th December.

A big congratulations to the Franks family for co-ordinating a wonderful community event at the Rosny Barn on Friday evening called Snapshots: Celebrating our Community where the focus was on a photographic account of the terrific school and community work undertaken to support children with disabilities.
The School Association is holding its final meeting for the year tonight. I would like to congratulate all members of the Association for their tireless, committed and proactive work completed this year to benefit the school at many levels. Such contributions as funding the Bike Education and Growing Up programs, part funding the Bottom Oval playground equipment and purchasing 4 Interactive Whiteboards at the start of the year. All parents are welcome to join the School Association and become part of this decision making group of the school. Also I would like to thank the brilliant work completed by our Fundraising Committee who have co-ordinated many activities to support the school at a financial and social level. Finally to all volunteers at our school, a special thanks to the brilliant work which is generously undertaken by parents, grandparents and local community members to assist school programs and operations in a range of areas. Bellerive Primary is a much better place for the work that is completed by our generous volunteers. On Friday at 10.55a.m. in the hall, a morning tea will be provided to say thank you to this group.

Last Thursday orientation sessions were held for our 72 Kinder students in 2016. It was great to meet all the families and their children who will be in our Kinder program next year. After each of the sessions school uniform sales took place. I would like to thank Ange Machin, Dana Davies, Loren Russell, Keiko Townsend, Lisele Rankin, Nicole Lugg, Ange Ogg, Tina Jenkins and Rebecca Brougham for the assistance with uniform sales and also for the friendly manner in which they made our new school community members feel so welcome.

Our BBQ Marquee at the Clarence City Council Christmas Concert was held last Sunday, 6th December on the Bellerive Boardwalk. Wow, we really impressed the community with our sharp skills in Barbequing! Well done ‘chefs’! The gourmet burgers with the lot, and veggie burgers were unbelievably yummy – so much so, we sold out of the hamburgers! Well done to everyone involved. There are far too many people to thank, as we had a team of around 50 helping on the night and leading up to the event, but it was duly noted by the Council, and by the Mayor that our stall was run extremely professionally. Well done team and well done Bellerive Primary! J Stay tuned for more events – now we have run 1, we will be even better next time. Profit at this stage, appears to be approximately $1,300, but we have more snacks to sell on Thursday at our own school BBQ, so stay tuned! Thanks everyone involved!
