Dear Parents,

All parents will be receiving an information handout today which outlines the procedure to take in completing the parent online survey. The survey measures the level of parent satisfaction with Bellerive Primary and it would be appreciated if all families could complete it before Friday 24th August. Results from the survey are used for review and planning purposes by the school for further improvement.

Today all students will receive a 175th badge to further commemorate our special anniversary year and wonderful heritage. Students are encouraged to wear them on their school uniform throughout the remainder of the year or put away in a special place as a keepsake. A reminder that we have commemorative mugs on sale at the school office for $6.00 or 5 for $25.00.

There has been a wonderful response to our 1,2,3 Parenting program with 12 participants. The program commenced today and will continue for one more week. We will organise this program again in 2019.

The Young Archies entries have been high quality again this year with a range of styles and creativity used. There were numerous entries and all students should be proud of their efforts. The winning entry will now be forwarded to Learning Services South Region for display at the UTAS Art School where judging will take place. I would like to thank Mrs Wickham for organising this activity together with all teachers and other helpers who assisted with all the associated work. The judges have selected the following shortlisted students’ art work for each category and the overall winner has been selected from this group of sixteen.
The final of the Spelling Bee was held last Friday in the assembly. Our four finalists included Lilyanne, Poppy, Anais and Megan. The Grand Final came down to a contest between Anais and Lilyanne with the former being successful. Well done to all students from Grade 5 and 6 who participated and had fun.

A reminder to relevant parents that the Grade 5 Eastern Band workshop will be held next Monday 20th and 21st August. This is a very important program for students in preparation for the Combined Schools Concert at the end of the year.

Primary Schools Lego Challenge 2018

The annual Lego Competition has commenced. All students are invited to design and create their Lego masterpiece for entry by Friday 14th September 2018. We will be accepting entries at the school office beginning Monday 10th September and up to 9am the morning of Friday the 14th with judging taking place that afternoon.

This year judging will be across three different age groups Prep-Grade 2, Grade 3-4 and Grade 5-6 with one winner from each of those grade groups moving to the next phase of the competition where they will submit their entry in the Brixhibition Lego Convention on Sat 7th and Sun 8th October. Some adult help is allowed, but the Lego design should mainly be the child’s own design.

There are some rules and conditions:

- Each Lego display to be no larger than 52cm x 52cm x 52cm, or no larger than four 32x32 lug Lego baseplates.
- Each Lego display must be an original or freelance design and not made from a Lego kit.
- The Lego Challenge is designed for individuals not teams.
