Dear Parents,

Next Monday work will commence on the development of a car park in the area below the primary swings and near the school road. The work will consist of:

- Provision of a car park to accommodate approximately 20 cars
- Construction of a path leading from the primary toilets to the car park
- Planting of 40 trees
- Planting of gardens to increase safety around the play equipment
- Construction of a path adjacent to the new car park
- Development of the remaining area into lawn.

The whole area will be fenced off during the project reducing car park space for the after school pick ups. Parents who normally park here are requested to make alternative arrangements with their children. Students who walk to and from Beach Street are requested to do so via the netball courts. The costs for the project will be met by school funds.

Tomorrow is the day for the combined Grandparents Day / Book Parade events. Ms Rathbone has included details about the Parade course later in the newsletter. For Grandparents Day it would be great to see a large turn out of grandparents, friends and relatives to this special event. The morning tea is scheduled from 10.30 a.m. to 11.00 a.m. and then classrooms will be open for visits. I apologise for not being present tomorrow as I need to attend a Principal’s meeting.

Unfortunately our school has not been successful with its submission for Minor Works funding. This means we will not be able to proceed with the proposed re-development of the netball courts at this stage. It is hoped a second round for Minor Works funding will be instigated later in the year.

I would like to wish the best of luck to Mabel (Grade 4) and Luke (Grade 5) as they represent Tasmania in the All Schools Cross Country Carnival on the Sunshine Coast this Thursday.
Posters for the upcoming events for our school 175th anniversary have been attached with this mail out for your information. It would be appreciated if you could forward this poster to relevant businesses, organisations, agencies and friends so we can distribute this information to the wider community as we would like as many former scholars, staff and parents of the school to be a part of the celebrations.

Please be advised that the period for completing parent surveys will end on Friday. All parents are encouraged to complete surveys to increase the validity of results. The results will be used by the school as part of planning for 2019. Currently the number of parent responses is at 31.

Steven Hay—Principal

This weeks photo highlights the staff at Bellerive Primary School in 1986. The man in the front row is Mr Denis Donovan who was the school’s Principal from 1984-1996. In 1993, Mr Donovan co-ordinated the filling of the time capsule. Mr Donovan now lives in Melbourne and unfortunately won’t be able to attend the opening of the time capsule on November 7th, as he will be heading to Queensland for his brother’s 90th birthday.

Please note the lovely parquetry floor in the hall at that time.
This year the parade will be within school grounds due to the Kangaroo Bay roadworks. Upon leaving the hall students will walk around the middle playground, along past the ECE classrooms, up our school driveway, (gates will be closed) and then back down through the netball courts and along the path back to their classrooms. The parade will start at about 9.15 am.

The best vantage points for parents will be in the Middle Playground, along the school driveway or on the netball courts. We ask parents not to come into the School Hall due to limited space.

Parents in costume are welcome to join us in the parade! B4 and Pre-Kinder students are welcome to join us with their parents. If weather is not favourable any changes will be announced on class dojo.

Students not in costume can join us carrying a favourite book!

Primary Schools Lego Challenge 2018

The annual Lego Competition has commenced. All students are invited to design and create their Lego masterpiece for entry by Friday 14th September 2018. We will be accepting entries at the school office beginning Monday 10th September and up to 9am the morning of Friday the 14th with judging taking place that afternoon.

This year judging will be across three different age groups Prep-Grade 2, Grade 3-4 and Grade 5-6 with one winner from each of those grade groups moving to the next phase of the competition where they will submit their entry in the Brixhibition Lego Convention on Sat 7th and Sun 8th October. Some adult help is allowed, but the Lego design should mainly be the child's own design.

There are some rules and conditions:

- Each Lego display to be no larger than 52cm x 52cm x 52cm, or no larger than four 32x32 lug Lego baseplates.
- Each Lego display must be an original or freelance design and not made from a Lego kit.
- The Lego Challenge is designed for individuals not teams.

Father’s Day Stall

Just a reminder that the School Association will be running its annual Father’s Day Stall on Tuesday 28th August for Kinders, and Thursday 30th August for Preps - Grade 6. The Kinder stall will be open from 8.45am on the deck in the courtyard area. The Prep - Grade 6 stall will be open from 8.25am by the stairs near the side entrance to the Library. Prep - Grade 2 classes will be scheduled to come to the st with their class Grade 3 - 6 students will need to make any purchases before the bell. All items priced between $1 - $5. If you are able to help, please drop me a line at; dana_davies@hotmail.com

Hope to see you there! Many thanks—Dana Davies—stall co-ordinator
