2019 / 2020 School Calendar

As part of part of the 175th Anniversary celebrations, our school will be producing and selling a 24 month calendar which highlights student artwork from Kindergarten to Grade 6. Each class will submit artwork for a month in the calendar. The remainder of the months, will feature a French page and portraits completed by Young Archies finalists. The calendar will sell for $10.00. To enable the school to order an accurate print run, could you please complete the order form and return it to school by Friday 21st September. These calendars will be in A4 size and in landscape orientation. They will be an excellent keepsake or present around Christmas time for friends and family. Please note that all parents who order now will be guaranteed a calendar. No money is required with the order. Payment can be made when calendars are collected from the school office in November.

Please contact me at
steven.hay@education.tas.gov.au
if you require further details.

Examples and format similar to Dodges Ferry Primary School’s Calendar. A sample calendar may be viewed at the school office for interested parents.

NAPLAN ONLINE - TRIAL OF THE NEW ONLINE ASSESSMENT PLATFORM

You may have heard that NAPLAN Online is being introduced across Australia over three years from 2018. Tasmanian schools will be administering NAPLAN online from 2019.

NAPLAN Online will provide better assessment, more precise results and faster turnaround of information.

Our school will trial the new assessment platform (the computer system the test will be taken on) and assess our readiness to participate in NAPLAN Online from 2019. This trial is called the School Readiness Test (SRT).

The SRT is not a test of student achievement and results will not form part of a student’s overall assessment.

Participating in this trial is important as it will help us ensure we have adequate internet connectivity, and whether students have access to sufficient number of devices for NAPLAN testing. During the trial, our school will have the opportunity to practice managing the classroom logistics for an online assessment and the new test administration processes.

Feedback from schools participating in the trial will inform transition to the online assessment as well as provide valuable feedback to shape the final development of the NAPLAN Online platform.

The SRT has not been constructed to assess curriculum knowledge, but rather to provide students an opportunity to experience the types of questions that will be included in the new online assessment.

During September 2018, selected students in Years 2, 4 and 6 will participate in the trial of the assessment platform, by undertaking one or two online tests that include examples of the new NAPLAN Online questions. Each test will take approximately 45 minutes to complete.

Participation in this trial is a key step to ensuring a successful NAPLAN Online experience.

If you have further questions, please contact Gavan Hughes at gavan.hughes@education.tas.gov.au or by calling the school on 62441200.

Welcome back Bellerive School community to what hopes to be an amazing 2018. I hope you’ve all had a lovely summer break.

One of our main focuses at this school is to keep your children safe. In order to do this, all medical plans e.g. Anaphylaxis, Asthma, Diabetes… are required to be updated annually by your child’s medical officer, even if the management is unchanged.

Important news for parents about the Asthma & Anaphylaxis Schools Program

Students with asthma – no matter how mild

If your child has asthma – even if it is quite mild – please let us know if you haven’t already.

We require an up to date written Asthma Action Plan completed by the students Doctor.

We just completed training with the Asthma Foundation of Tasmania. They told us that there is no way of predicting if a student may suddenly have a major flare up, even if it has not happened before.

So please let us know so we can fulfil our duty of care and keep an eye on them.

Students with anaphylaxis

Please make sure that we have your child’s most recent Anaphylaxis Action Plan.

The plan that we are referring to is the one that has the patient’s photo attached and signed off by a doctor.

According to ASCIA, Australia’s authority on anaphylaxis, the plans should be renewed by your doctor at least once a year.

Any questions on asthma or anaphylaxis

If you have any queries, talk to the Asthma Foundation of Tasmania, the organisers of the Schools Program, by visiting www.asthmatas.org.au or calling 1800 278 462.

School Nurse
Bellerive Primary School is a proud Sun Smart accredited school. From September to April when UV is usually 3 and above -

The Cancer Council encourages sun protection be used when heading outdoors for more than a few minutes. So, it is time to start bringing your hats and sunscreen to school. Overexposure to UV during childhood is a major risk factor for future skin cancer risk.

You can’t see or feel the sun’s UV rays so don’t be fooled! Whatever the weather, if the UV levels are 3 or more, it’s important to Slip, Slop, Slap, Seek and Slide!

1. Slip on a shirt—for free dress days, ensure your child wears clothing that covers as much skin as possible e.g. elbow length tops with a higher neckline or collar and longer style shorts or skirts.

2. Slop—on SPF 30 or higher broad spectrum, water resistant sunscreen—apply a generous amount of sunscreen at the start of the day and make sure children have sunscreen in their bag ready to be reapplied throughout the day. Sunscreen should be reapplied every two hours.

3. Slap on a hat - one that protects the face, neck and ears such as a broad brimmed, legionnaire or bucket hat style. Peak caps do not offer enough protection and are not recommended by sun smart.

4. Seek shade—choose shady spots for play whenever possible.

5. Slide on some sunglasses—if practical and approved by the school. Make sure they are labelled AS 1067 and cover as much of the eye area as possible.

Sun protection times

Don’t just wait for hot and sunny days to use sun protection. Check the sun protection times each day so your family can be protected when they need to be.

Daily local sun protection times and weather details are available in the weather section of the newspaper, on the sun smart website www.sunsmart.com.au or as a free sun smart app for your smart device. Sun protection times can also be found on the bureau of meteorology website. http://www.bom.gov.au/

Note - Most Australians have adequate vitamin D levels just from doing typical day-to-day activities. A few minutes of mid-morning or mid-afternoon sun exposure to arms and hands should be sufficient to maintain adequate Vitamin D.

**Primary Schools Lego Challenge 2018**

The annual Lego Competition has commenced. All students are invited to design and create their Lego masterpiece for entry by Friday 14th September 2018. We will be accepting entries at the school office from today and up to 9am the morning of Friday the 14th with judging taking place that afternoon.

This year judging will be across three different age groups Prep-Grade 2, Grade 3-4 and Grade 5-6 with one winner from each of those grade groups moving to the next phase of the competition where they will submit their entry in the Brixhibition Lego Convention on Sat 7th and Sun 8th October.

There are some rules and conditions:
- Each Lego display to be no larger than 52cm x 52cm x 52cm, or no larger than four 32x32 lug Lego baseplates.
- Each Lego display must be an original or freelance design and not made from a Lego kit.
- The Lego Challenge is designed for individuals not teams.
- Some adult help is allowed, but the Lego design should mainly be the child's own design.

Good luck with your creations.
Please contact Allison Payne with any questions about this competition.
