Message from the Principal

Dear Parents,

It’s at that stage of the year when plans are being made for the 2018 school year. For instance our Grade 6 students will be commencing their transition programs which form a part of their introduction to their secondary schools. For next year our students will be heading off in many directions to continue their schooling.

I would encourage parents of Grade 4 and 5 students to commence consideration about their child’s next chapter of schooling before their Grade 6 year if possible. Please feel free to visit potential schools early next year if undecided.

Urgently calling for volunteers—we need your help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires new volunteers to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time one day a week. The Commonwealth Bank and current co-ordinators will provide support in how to run the program. We can do this slowly over Term 4 and into 2018 to support.

Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

Currently, School Banking day is Wednesday but can change next year to suit the new coordinators.

If you are interested in volunteering for this great program, please call Sally McGrath 0408 190 489
