Welcome to the Bellerive Primary School Early Learning Centre B4 at Bellerive. Our programs cater for families with children from birth to five who are enrolling their children at Bellerive Primary School in future years.

- We ask that everyone helps with the workload; tidying up, washing up paint brushes cutting up fruit, washing and drying up cups and dishes, packing away toys and equipment.
- Adults are responsible for the children they bring along.
- We are a ‘SunSmart’ group, please pack hats for outside play time.
- We do have outside play time all year; please bring coats during the cooler months.
- Please bring along a piece of fruit to be cut up to share for morning tea (no ‘snack food’...chips, lollies etc please). Bellerive Primary is a nut free school.
- Our school and grounds are a smoke free environment.
- If your child is unwell please consider staying at home.

All families are welcome, valued and respected

Bellerive Primary School Early Learning Centre

Launching into Learning (LiL) at Bellerive Primary School offers two programs, B4 at Bellerive and Pre-Kinder, throughout the school year, for children from birth to five living in our local community.

We provide an engaging learning environment encouraging strong home school links with a focus on individual learning styles. Our sessions combine to create a vibrant community of learners in our Early Years programs.

Our programs focus on promoting children’s school readiness, assisting children in learning how to learn both individually and collaboratively and supporting parents to act as co-teachers with their children.
